

RE-ELECT

MAYOR DENSMORE

TUESDAY, NOVEMBER 7TH

FAMILIES don't always look alike, but where you feel LOVE, that is *your* family. We're promoting more family-friendly spaces & activities. Whether you are single, married, with kids or without, the Village of Golf Manor is a community focussed on the success of *your* family.

FAIRNESS is fundamental. Transparency is key. We're making sure residents are informed and included in municipal decision making. We promote inclusiveness and have implemented measures to secure Equal Access to County, State, and Federal resources available for *ALL* our renters and homeowners.

Village Mayor, Stefan Densmore, and his family.

The **FUTURE** of the Village shines bright! We created a Strategic Plan for continuous improvement of our Parks and Services, which is informed through ongoing inclusive Community Engagement. We're better together. We're seeking *YOUR* voice!

Paid for by the Committee to Re-Elect Mayor Stefan Densmore
